

Drone Client Pitch Email Template

Subject: Free Aerial Photos for Your [Listing/Event/Project]?

Hi [Client Name],

My name is [Your Name], and I'm a licensed drone pilot building my aerial photography portfolio.

I'm currently offering a limited number of free drone photo/video shoots to select [real estate agents/event planners/local businesses],

and I would love to feature your [property/event/project] as part of it.

In exchange, you'll receive edited, high-resolution images (and video if applicable) that you can use for your own marketing,

with zero cost or commitment. All I ask is permission to include it in my portfolio.

Would you be open to a quick 10-minute call or email reply to explore this?

Let me know what works best for you!

Best regards,

[Your Full Name]
