Liability and Risk Acknowledgment Clause

The Client acknowledges that aerial drone operations carry inherent risks, including but not limited to equipment malfunction, adverse weather conditions, GPS interference, and environmental obstacles.

By signing this agreement, the Client agrees to the following terms:

1. The Service Provider shall maintain general liability insurance coverage for commercial drone operations as required by local or federal regulations.
2. The Client agrees to provide accurate information regarding the shoot location, including any restrictions or sensitive areas.
3. The Client acknowledges that the Service Provider is not responsible for delays or cancellations due to uncontrollable circumstances such as FAA restrictions, weather events, or emergency airspace closures.
4. The Client agrees not to hold the Service Provider liable for any incidental or consequential damages that may arise from drone operation, provided that all reasonable safety measures were followed.
5. In the event of property damage or injury caused by drone operation, the Service Provider's liability shall not exceed the total project fee unless gross negligence is proven.
