

Marketing Pitch Scripts by Drone Niche

Real Estate Pitch Script:

Hi [Agent Name], I help real estate professionals like you close listings faster with stunning aerial photos and videos that make homes stand out online. I offer fast turnaround and flexible packages - would you be open to trying a drone shoot on your next listing?

Construction Pitch Script:

Hello [Project Manager], I specialize in drone-based construction progress tracking. I can deliver regular top-down and angled views to help you document progress and improve reporting. Interested in a demo shoot this week?

Events & Weddings Pitch Script:

Hi [Planner Name], want to add a breathtaking cinematic layer to your events? I provide smooth, high-quality aerial footage that captures the energy and beauty of weddings and special occasions. Let's elevate your event portfolio.

Marketing Agencies Pitch Script:

Hi [Creative Director], I help marketing teams produce scroll-stopping content with drone footage that adds impact and perspective. Whether it's for social campaigns or web banners, let's collaborate on your next big project.

Roof Inspections Pitch Script:

Hello [Contractor Name], I offer fast and safe aerial roof inspections using high-resolution drones. Skip the ladders - let me deliver the photos you need in less time, with zero risk to your crew.
