

Free-to-Paid Drone Project Planning Worksheet

Use this worksheet to plan and track your first 3-5 drone photography or video projects. These can be free or low-cost projects designed to build your portfolio and confidence.

Project Type	Who Will You Ask?	Why This Project?	Deadline to Complete

Checklist to Move From Free to Paid Work:

- Complete 3-5 free shoots
- Edit and upload to your portfolio
- Collect testimonials or reviews
- Set your pricing and create a rate sheet
- Begin outreach to paying clients
