Subject: Help Me Take Flight – Support My Pilot Journey ✈️ ■

Hi [Name],

I've started my journey to become a licensed pilot and I'm reaching out to ask for your support.

Flight training is expensive, and I've launched a crowdfunding campaign to help cover costs.

If you'd like to contribute or simply share it with others, I'd be incredibly grateful.

Here's the link to my story: [Your Campaign Link]

Thanks for believing in me!
